

Ready for Investment

Clarence Parisau

Deputy Chief Migration Officer – Visa & Passport Division

WHO WE ARE

ICSA is the mandated Government Agency responsible for:

- Facilitation of lawful entry and departures;
- Regulate travel documents (passports, visa, etc);
- Facilitating trade and investment;
- Border Security control; and
- Citizenship, and
- Revenue generation

Sponsor Portal

Main reasons for the transfer of Work Permit function from Labour to Immigration are:

- Similarities in requirements and Duplication of responsibility;
- Unnecessary administrative and bureaucratic red-tapes;
- Two different Agencies simultaneously operation two separate processes.

Sponsor Portal

- It took us almost 24 months to develop the Sponsor Portal with a reputable vendor;
- The **Sponsor Portal** is the platform for all employment visa and work permit applications. It's a two-in-one digital platform where work permit and visa is lodged in a single application using this portal.

Sponsor Portal

- **The Employment visa** you receive from the Sponsor Portal will give you permission to enter the country, reside and work.
- The Portal can be managed by HR Officers. No need to engage external Migration Agents.
- Sponsor Portal allows you to apply for visa and work permit using a single application, track progress, communicate with ICOSA Officers, pay Migration fee online and receive notifications and alerts.

SPONSOR PORTAL

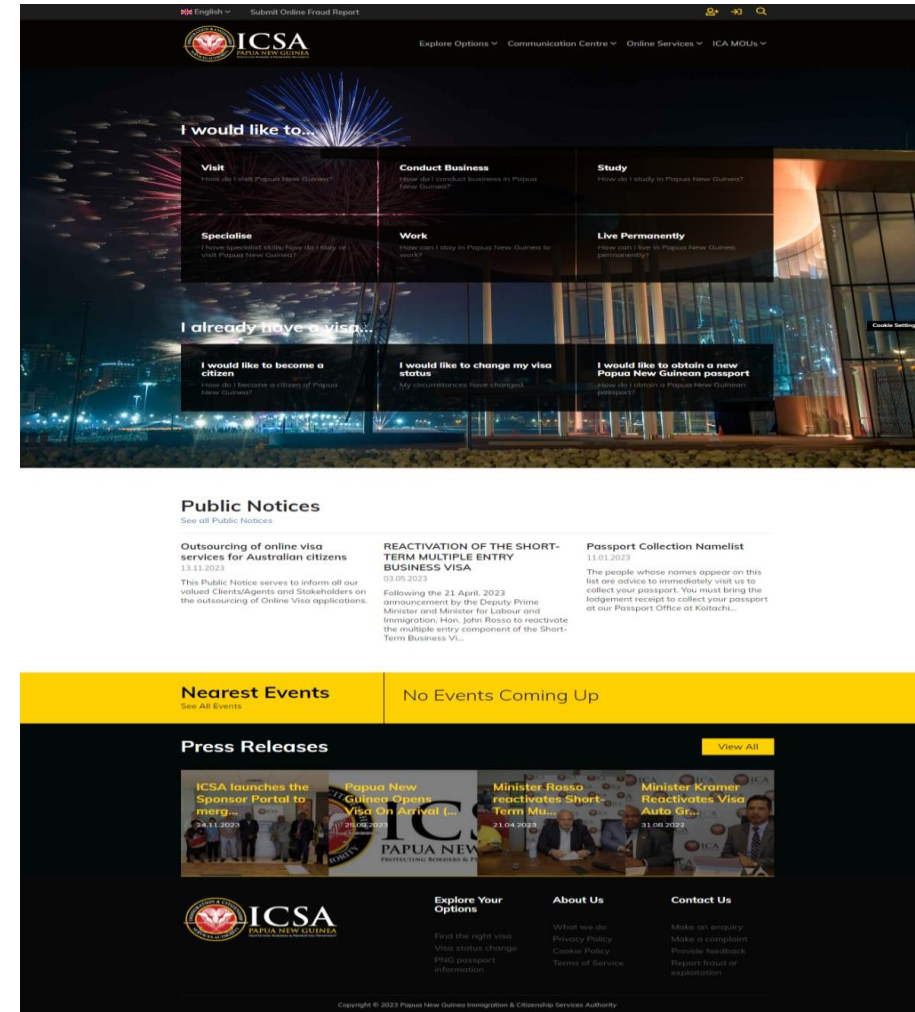

- ICSA is extending the invitation to all major companies to register with us and will give you access to start using the Sponsor Portal
- One-off registration fee of K100 only;
- Email SponsorPortal@immigration.gov.pg | itteam@immigration.gov.pg

Website

www.ica.gov.pg
