Supporting Our Local Communities

Creating environmental

Moana Taka Partnership

- Providing containers and ocean freight carriage on pro bono basis to move recyclable waste out of the Pacific Islands, to countries with competent and sustainable recycling facilities
- In 2022, 165.22 tonnes of low-value recyclable waste was moved out of PI

'Recycling on the Go (ROG)' Ambassador Project (Fiji)

- First of its kind in Fiji
- Boost in-country recycling efforts that includes the design and setup of recycling facilities, regular collection, training and advocacy
- Influence youths to adopt recycling habits

Mangrove planting (PNG)

- Support mangrove restoration and conservation efforts
- PNG contains the highest number of true mangrove species in the world

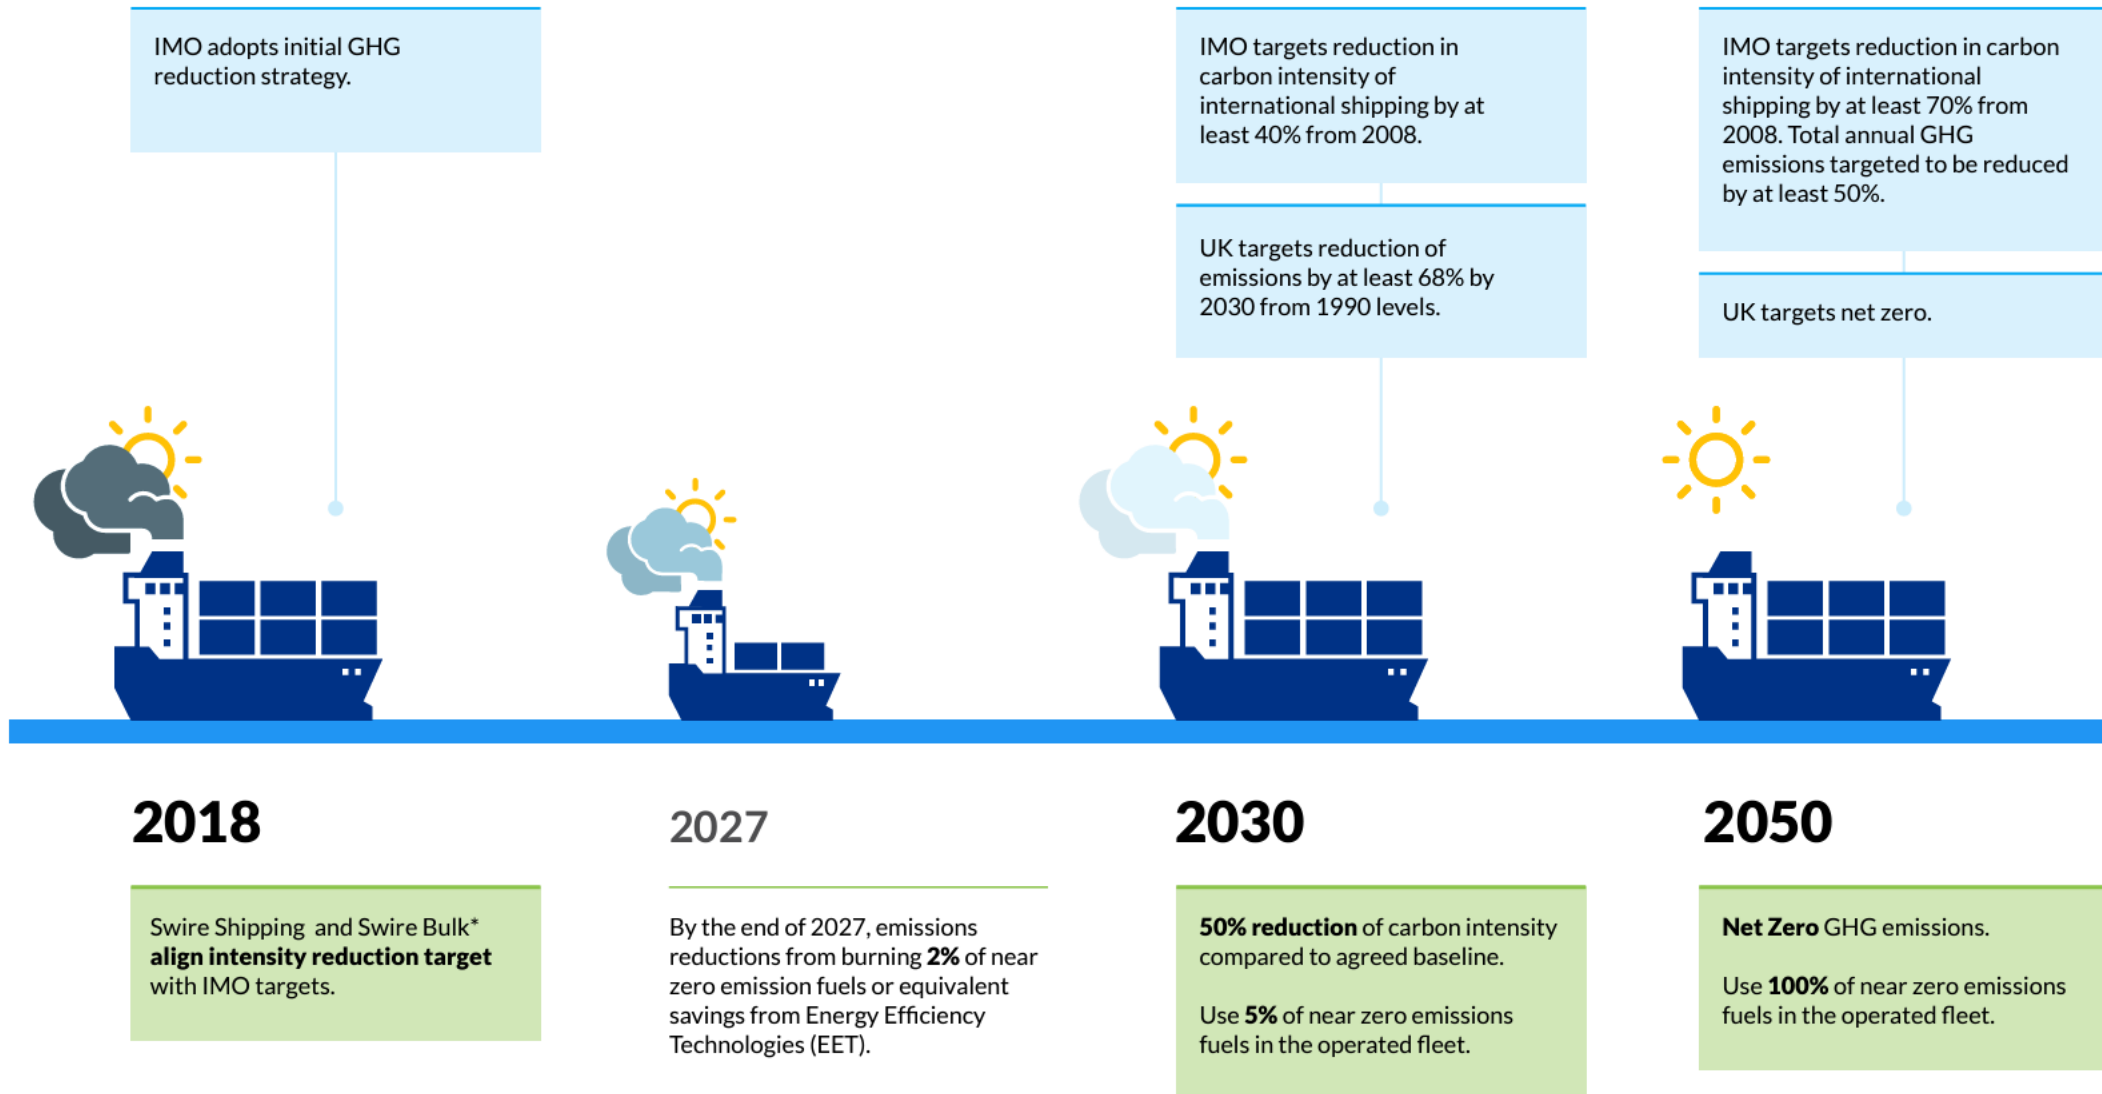

Supporting the vulnerable Family Support Centre (Solomon Islands)

- Sponsored the position of Family Support Centre (FSC) Deputy Centre Manager
- PNG contains the highest number of true mangrove species in the world

Eastern Highland Family Voice (EHFV) (PNG)

- Sponsored the position of Child Protection Officer, who supports children at risk, children with a disability and those at risk of violence and abuse
- EHFV runs a range of programmes providing education programmes for families and communities as well as providing direct support to vulnerable children
