

PAPUA NEW GUINEA CHAMBER OF RESOURCES & ENERGY

"Helping Papua New Guinea to Develop its Full Potential"

Document Name:	General Code of Conduct
Document Owner:	Finance and Administration Department
Effective Date:	31 January 2025
Last Reviewed Date:	05 February 2025

Purpose:

The purpose of this Code of Conduct is to establish the ethical principles and values that guide our organization and its employees. It aims to ensure a positive, professional, and respectful work environment by providing clear guidelines on acceptable behavior, ensuring compliance with relevant laws and regulations, and offering a framework for resolving conflicts.

Scope:

This Code of Conduct applies to all employees, regardless of their position or tenure within the organization. It covers interactions between employees, as well as interactions with clients, customers, and other stakeholders. Additionally, it includes guidelines on the appropriate use of company resources and the handling of confidential information.

Our Mission and Vision:

We exist to create the understanding, generate knowledge, and forge the relationships which empower Papua New Guinea to capture sustained nation-building benefits from its natural resources.

Our Values:

Integrity: We uphold the highest standards of integrity in all our actions, ensuring transparency and accountability.

Collaboration: We believe in the power of collaboration, working together to achieve our strategic intent and create sustainable benefits for Papua New Guinea.

Sustainability: We are committed to the sustainable use of natural resources, ensuring that we meet our needs without compromising the ability of future generations to meet theirs.

Empowerment: We empower our people and the communities we serve, enabling them to capture sustained nation-building benefits from their natural resources.

Innovation: We embrace innovation, continually seeking new and better ways to create understanding, generate knowledge, and forge relationships.
